

Mohave Cooperative

Cloud Services Contract 18G-NVIS1-0926

Your Trusted Cloud Source

Let iT1 and the Mohave Cooperative help you modernize your Arizona public-sector institution with cloud computing.

CLOUD COMPUTING

CLOUD SERVICES

CLOUD APPLICATIONS

CLOUD STORAGE

Your Challenges:

Choose the right cloud platform and cloud-services partner to work with

Migrate applications and workloads to the cloud

Leverage the cloud for data management, backup, and recovery

How We Help:

Help set your cloud strategy and train you on cloud best practices

Design, build, migrate, and automate secure cloud environments

Right-size virtual machines, identify underutilization, and overprovisioning

Ensure business continuity and disaster recovery

iT1's has 15 years' of public-sector experience and a cloud practice that covers four major phases of the cloud-adoption lifecycle:

- **Adopt a Cloud Strategy:** Cloud Education Workshops | Cloud Readiness Assessment | Cloud Solutioning and Planning Workshops
- **Tailor Enterprise Cloud:** Migration and Infrastructure Services | Cloud Applications | Cloud Storage | Security and Data Encryption Services | Hardware and Software (acquired as part of a total solution)
- **Optimize and Manage Costs:** Cloud Cost Optimization Services | Cloud Cost Management Services
- **Ensure Uptime:** Backup and Disaster Recovery Architecture | Disaster Recovery as a Service | Business Continuity as a Service
